**Date:** 08/01/26

**My ref:** RU/21/0272

**Subject:** **THORPE LEA ROAD, EGHAM MINI S278**

Dear Steven,

I am pleased to confirm technical approval for the above named project. The drawings are approved as per the below table. Please note that technical approval is given based on these drawings, and any subsequent changes to these drawings will require submission of the revised drawings for approval prior to works taking place.

<b>Schedule of Approved Drawings</b>		
<b>Drawing Number</b>	<b>Revision</b>	<b>Drawing Title</b>
SA00409-0101-C-S278-GA	P08	General Arrangement
SA00409-0201-C-S278-GA	P05	Site Clearance
SA00409-0331-C-S278-GA	P04	Levels
SA00409-0701-C-S278-GA	P05	External Works

SA00409-0102-C-S278-GA	<b>P01</b>	General Arrangement [Green Hatch Plan]

Please ensure that the developer contacts SCC Transport Development Planning to arrange a start-up meeting prior to commencing works on site and submits a programme of all work to be undertaken as per the above-mentioned drawings. The Developer will need to contact Surrey County Council's Works Communication Team to agree what level of engagement needs to take place through the Council's Customer Stakeholder Engagement Plan. They will also need to submit a road space permit

application by completing the permit application form found on our website and submit it to SCC Streetworks for approval.

If you have any questions on any of the above, please let me know.

Regards
